Clipped Longhair

These classes are open to exhibitors of any age. The exhibits will be judged against the breed standard for their breed, with the exception that the coat should be clipped to board length with a tolerance of up to 2 inches for coat lie.

The cavy is to be presented on a square, hessian covered board of a size appropriate to the age of the cavy, and to be presented as required by the breed standard for that breed.

Please note that exhibits entered in the clipped class cannot also be entered in the pet classes at the same show.
