Show dates:

**9th March 2024. WCC Member Special. Also ESCC Adult
Points & NTWCC Points**

29th June 2024. Also, Teddy Show

**12th October 2024. Also, Rex CC, Peruvian VCC & Sheltie
VCC shows**

Guidelines:

Sales. No younger than 10 weeks . No lighter than 400 grms. All pigs will be inspected and if showing any signs of ill health in any way cannot be sold. Sales pens will be opened for selling at the time the steward decides. Please do not handle the pigs without the sales steward's knowledge. All sales to go through the steward unless pre ordered. No selling in car park.

At the moment there will be no selling of pigs at shows. Unless by prior arrangement and in the area back of the hall. Not in car park.

Selling Tables. Any one who would like a table must notify the sec at least 2 weeks before the show date. Space permitting, we welcome cavy related items, if different please ask. Donation of at least £5 will be required.

Canteen. We have a catering team coming to do the food as we have no one to do the kitchen at the moment.

Juvenile Exhibitors. It is expected that juveniles prepare there own Cavies for shows. Juveniles must also pen there own Cavies at the show or ask another Juvenile to help pen. Ages for showing are 5 years to show pets. 7 years for purebreds.

No lifting of Cavies before all judging has finished unless requested to the Sec.

Exhibitors are not permitted to indicate to the Judges at any time before or during the show which are there Cavies.

The judges decision is final . No comments to the judges about exhibits unless a cavy is found to be ill or has skin complaints. Notify the sec to deal with this.

All entries must be paid for even if Cavy is absent. Paid up members only to receive Trophies and Points Plaques. Please do not except Points Plaques unless you are prepared to have them engraved and return them on time.

Illness. Any one who has recently or has illness in there shed/stud MUST NOT bring any pigs to the show or sell any pigs anywhere at the show. If you do you will be banned. 3 months is the advised period of time to refrain from showing after a virus/ bacterial infection. Please adhere to this.

No **dogs** in the Main Hall. People are not controlling them properly.

Please help to take the show down at the end of the day. Please bear this in mind this is the members club and lend us a much needed hand.

Wiltshire Cavy Club

Schedule Explanation Guide

This is a guide to explain the schedules for newcomers to the cavy fancy to help them understand and complete the entry forms correctly.

Newcomers can find it all rather confusing at first but once explained its pretty simple to understand.

Abbreviations:

Ad: This is for cavies that is 8 months or older.

5/8: This is for cavies that are 5 months to 8 months old.

u/5, 3/5 or 3-5: This is for cavies that are under 5 months old (3 months min)

AA: Any Age - This is a challenge class

Purebreeds:

Selves: This is a breed of cavy that is all one colour

Non-Selves: This is a category of breeds that is not one colour, with the exception to the English crested, even though it is one colour it is not a self due to the crest on its head.

Rare Variety:

Guide Standard: This is a category for cavy breeds that has not yet been given a full standard by the British Cavy Council

New & Emerging: This is a category for cavy breeds that are new and that has not yet been given Guide Standard by the British Cavy Council.

Clipped Classes:

This is for pure bred longhaired cavies that have been clipped.

Pets:

This is a category for cavies that are either a crossbreed, pure breed that is not up to standard or can no longer be shown in the main category for instance longhaired cavies that have a damaged coat or been clipped and do not wish to show in the clipped classes.

Smooth: A pet that has a smooth coat like the self cavy

Smooth Cr: As above but with a crest on its head.

Longhair: A longhaired pet.

Rough: A rough coated pet with a coat like the Abyssinian, Rex, Teddy.

AOC: Any Other Colour

AOV: Any Other Variety

M&T: Marked & Ticked

NPM: No Prize Money

On the schedule the breed class numbers are the ones which are not in bold and the Challenge classes are in bold.

We use a block entry schedule as does most clubs which means when filling out the entry form you only need to enter the breed class number from the schedule as the computer program automatically enters the cavy in to all the relevant challenge classes when the secretary enters the breed class.

When looking at the schedule find the breed of the cavy you want to enter, go across to the right to the correct age column for the cavy, the number in that column is the class number.

When entering Pets remember that our pet classes are separated in to Adult Exhibitor (Ad ex) owned pets and Juvenile Exhibitor (Juv ex) owned pets as well as in to Boars and Sows.

Stud Name: A stud name (or prefix) is a name chosen by a exhibitor to show under rather than using your own name.

Note: To use this you must apply to the British Cavy Council for name approval and registration before you can show under it, at the time of writing the one off cost of this is £6, a application form can be downloaded from the British Cavy Council website.

If we are hosting other breed clubs at our shows there are columns on the entry form to include the class numbers of those clubs too as well as the entry fees.

Sale Pens: This is where you put the qty of sale pens you wish to book if you have any Cavies you wish to sell.

Sale Pen Guide:

All cavies will be inspected by the sales steward before being accepted for sale.

NO cavies under 8 weeks old.

NO pregnant cavies.

Cavies **Must** be fit and healthy.

Minimum selling price is £6

Maximum 2 adults per pen

Maximum 3 5/8 per pen

Maximum 3 u/5 per pen.

Cost of £1 per cavy to go to club funds, please provide some food for the new owner and 1 cardboard box per cavy.
